## Additional Application Requirements

Eagle College is an elementary school founded in 2006 with the purpose of influencing the community and families of Miguel Aleman through a value-based education. Teachers are expected to demonstrate a love for Christ and his children by exhibiting the fruit of the Spirit listed in Galatians 5:22 (love, joy, peace, patience, goodness, kindness, faithfulness, and self-control). We expect a teacher's personal life to be consistent with appropriate behaviors that reflect those attributes. The following questions are necessary to affirm this.

The following items must be attached to this application:

1. Answers to the following questions:

- a. Describe your relationship with Jesus Christ, your personal theology, and how your Christian faith relates to and affects your everyday life.
- b. Describe your experience working with children/youth, and/or any teaching experience you may have.
- c. Describe your involvement in the church and/or church or ministry related activities.

2. Complete Resume (with employment and education history)

3. What other gifts and talents are you using to use in this ministry?

## References

In considering applicants for employment at Eagle College, we require three references. At least one reference should be from a previous employer, one personal reference, and at least one reference from a church staff/mentor. **Please attach all reference letters/recommendations to the application.**
