Eagle College Elementary School is located in Miguel Aleman, Tamps., Mexico. This private school was established in 2007 and currently has 200 students from Pre-K through 8th grade. In the last two years the city has gone through difficult times. As a result of the drug cartel wars, some families have had to leave the city. Jobs are scarce and many parents are unable to pay the tuition. Please keep Eagle College in your prayers.
